

Healthway's  
Healthy Schools  
Program 2025

## Fuel your body - giving students the Fuel to Go & Play

Schools and P&C's in WA can apply for grants of up to \$5,000 to deliver projects that promote the health and wellbeing of their students and the school community. Projects must address at least one Healthway health priority area e.g. integrating healthy eating education into the curriculum or promoting walking or riding to school.

### Take a whole of school approach to healthy eating with Foodcore Nutrition Services.

We can assist in establishing a health committee; developing a school healthy eating policy; facilitating incursions to support the physical education and health faculty; coordinate and deliver nutrition education sessions and so much more! Our bespoke sport and nutrition packages can include:

- Foundation diets
- Hydration
- Sports nutrition strategies
- Best practice recovery
- Preparing for events i.e. carnival days
- Snack ideas and samples.

### Resources

Foodcore have an array of resources available for purchase and for free to support your health initiative, such as Fuel to Go & Play merchandise, game and activity templates, nutrition fact sheets and toolkits.
